## OĞUZHAN ULUCAN

Agricultural Engineer/Animal Scientist

### EDUCATION

#### PhD

#### MSc

2010-2012

Ankara University  
Graduate School Of Natural Sciences  
Department Of Animal Science

#### Bachelor's Degree

1991-1996

Trakya University  
Faculty Of Agriculture  
Department Of Animal Science

### LANGUAGE

### CAREER

1997 - 1999 Teacher Mescitli Primary School. – ERZURUM

1999 - 2000 Teacher Halitpaşa Primary School– ERZURUM

2000 - 2001 Teacher Zihni Küçük Primary School. – İSTANBUL

2001 - 2008 Engineer agriculture directorate - KÜTAHYA

2008--Continues Researcher, GKTAEM, TRANSITIONAL ZONE AGRICULTURAL RESEARCH INSTITUTE - ESKİŞEHİR

### ABOUT ME

He was born in 1974 in Eskişehir. In 1996, he graduated from Trakya University, Faculty of Agriculture, Department of Animal Science. He completed his master's degree on Beekeeping in Ankara University Animal Science Department in 2012. He has carried out many Agricultural Extension Projects. He was involved in broilerbreeding studies carried out in Eskişehir

## Agricultural Engineer/Animal Scientist

### ▪ **PROJECTS**

#### ▪ **Projects Conducted**

1. Local Wheat Varieties Collection and Breeding Project (ICARDA, Associate Researcher 2011)
2. Project for Monitoring the Prevalence of Wheat Varieties in Central Anatolia and the Western Transition Region (TAGEM, Associate Researcher 2011-2014)
3. Project for Dissemination of Developed Chickpea Varieties and Cultivation Techniques to Transition Zone Producers (EYYDB, Project Leader 2012-2017)
4. Barley Quality Research Project Transitional Zone Agricultural Research Institute (TAGEM, Assistant Researcher 2013-2015)
5. Developed Wheat Varieties and Cultivation Techniques Dissemination Project (EYYDB, Project Leader 2014-2017)
6. The Project of Dissemination of the Effects of Irrigation Day Intervals, Lateral Spacing and Irrigation Levels of Irrigation to Farmers in Eskişehir and Kütahya Regions with Drip Irrigation to Farmers (EYYDB, Assistant Researcher 2016-2018)
7. Modernization of Seed Cleaning and Packaging Unit Transitional Zone Agricultural Research Institute (BEBKA, Assistant Researcher 2015-2016)
8. Breeding and Parent Breeding Studies of Broiler Pure Lines Raised in Eskişehir Transition Zone Agricultural Research Institute (TAGEM, Associate Researcher 2017-2022)
9. Determination of Growth and Carcass Characteristics of Broiler Pure Lines (TAGEM, Associate Researcher 2017-2022)

#### ▪ **Ongoing Projects**

1. Determination of Optimum Body Weight and Feed Consumption According to Growth, Laying and Hatching Performance in Anadolu-T Parents (TAGEM, Associate Researcher 2021-2022)
2. Use of Diets Containing Different Levels of Nutrients in Nutrition of Anadolu-T Broiler Chickens (TAGEM, Associate Researcher 2021-2022)
