ABOUT ME

I was born in 1979 in Bulgaria. In 1998, I graduated from Bursa Agricultural Vocational High School. I worked as a technician in the İstanbul Food Control Laboratory Directorate between 2000 to 2002. I have been working in Central Research Institute of Food and Feed Control since 2002. I worked as the Vegetal Products Department and the Microbiology Department. And, I am still working at the Food Additives and Residues Department at the institution.
