<b>Project Summary</b>	
<p>Has proposed a project which will boost the confidence of model rural communities in Arabic states and Europa, improve interregional cooperation for an elevated food safety, provide access to proper knowledge and experts, contribute to compromising in nation level decision process in suitable areas and the project has been accepted. Algeria, Hungary, Morocco, Turkey and Uzbekistan take part in the project. Within the scope of the project, information exchange on workshops and training about improving animal husbandry, water management, biotechnology and agricultural producer organizations is promoted by benefiting from expert providing country. Turkey has been appointed as an expert providing country by IFAD on agricultural producer organizations and other subjects if suggested by other partners of the project according to the needs of the project. Turkey participated in the EXPO held by UNOSSC in USA Washington D.C. 18<sup>th</sup> – 20<sup>th</sup> November 2014 and it was decided that the first event of the project would take place in IARTC. The meeting took place successfully in 22<sup>th</sup> – 24<sup>th</sup> July 2015. Thanks to this event and other events within the scope of the project Turkey has become an important actor in South – South Cooperation. Kyrgyzstan, Sudan, Tajikistan and Tunisia have been subsequently integrated to the project. Tajikistan will take part in upcoming events.</p> <p>For detailed information please see the link below.  <a href="http://southsouthworld.org/site/index">http://southsouthworld.org/site/index</a></p>
